Reference books for adults - Household Care and Cleaning

How the Queen Cleans Everything, Linda Cobb - a.k.a. “The Queen of Clean” (Atria, 2002)

No-nonsense, environmentally friendly (mostly) tips and shortcuts to clean and organize just about everything in your home – patio and garage included.

Clean House, Clean Planet, Karen Logan (Pocket Books, 1997)

Recipes for creating your own *safe* household cleaning products with readily available ingredients that are harmless to the environment and to people! Includes background information on contents of commercial cleaners. Encourages us to read labels and take charge of our own decisions that impact the health of our families as well as the environment.

Haley’s Hints and Haley’s Cleaning Hints, Graham and Rosemary Haley (New American Library, 2004)

Similar to *How the Queen Cleans Everything* but with additional household areas including plumbing, painting, carpentry and more.
